

ORAL QUESTION—KEVIN O'REILLY, MLA FRAME LAKE

QUESTION 121-18(3): TERRAX PTARMIGAN MINE

FEBRUARY 15, 2018

MR. O'REILLY: Merci, Monsieur le President. I would like to continue the conversation that I had yesterday with the Minister of Lands on mine site reclamation. Yesterday he said that he was sure that GNWT had not given any kind of a release or indemnity to Terra X with regard to work that they may want to carry out at the Ptarmigan Mine site, so I am wondering if the Minister would be willing to check with his federal counterparts about whether the federal government had issued any kind of indemnity or release to Terra X with regard to their work on the Ptarmigan Mine site? Mahsi, Mr. Speaker.

MR. SPEAKER: Masi. Minister of Lands.

HON. LOUIS SEBERT: Thank you, Mr. Speaker. I thank the Member for his question, but must take the question as notice.
