Oral Question 628-18(3): Stanton Hospital Transition

This letter is in follow up to the Oral Question you raised on February 27, 2019 regarding the Stanton Hospital Transition.

We will be updating patients and the public with any program location changes during the hospital transition. Patients will be reminded of any new locations when they are booking future appointments via phone, and the public will be made aware through our website, social media feed and newspaper ads where appropriate. We will ensure that the staff notification and public updates occur by March 25, 2019 and continue regularly as we transition to the new Hospital.

Thank you.
