Oral Question 670-18(3) Significant Discovery Licenses

This letter is in follow up to the Oral Question you raised in the Legislative Assembly on March 8, 2019, regarding Significant Discovery Licenses (SDLs). During our exchange, I committed to talk to the Department of Industry, Tourism Investment (ITI) as to whether public rates for SDLs can be made public and if so, when they can be made public.

ITI will publicly state SDL rates as part of the terms and conditions in bid documents in all future Call for Bids for petroleum rights in the Northwest Territories.

Thank you for your interest in this matter. I trust this response addresses your questions.
