MR. O'REILLY: Merci, Monsieur le President. I have three written questions today. The first written question: Contracts for work related to the Slave Geological Province. My questions are for the Minister of Infrastructure.

Please provide a list of all contracts entered into by GNWT for work related to the Slave Geological Province Road from September 1, 2015, to present, and:

1. Indicate the date of the contract signing, date of completion or anticipated completion, whether the contract was sole-sourced, the value of the contract, the general purpose or scope of work, whether there were any financial or scope amendments and a summary of same, the name and location of the contractor; and
2. In providing the list of contracts, indicate whether any of the contractors were or are registered under the Business Incentive Policy and received such consideration in the evaluation of bids or proposals; and,
3. What future actions are planned to maximize northern employment, training, and business opportunities in future contracts related to the Slave Geological Province Road?
