

**KEVIN O'REILLY - MLA FRAME LAKE**  
**Committee of the Whole—Review of the 2019-2023 Mandate**  
**Self-Government Agreements - February 12, 2020**

**MR. O'REILLY:** Thank you, Madam Chair. I'm going to finish in less than five minutes. I have one comment and one question, if I may. My comment is that the last Premier said that we were going to get all of the negotiations completed in the last Assembly, and we had one agreement-in-principle reached. The bar was too high with the last Assembly. This one, I think it's too low, with just two of maybe 16 tables. I think, hopefully, we can get somewhere in between.

That was my comment, Madam Chair. My question is the advisory committee that's mentioned in the "how we will demonstrate progress," the very first item there, "quarterly reports provided to advisory committee." What is that advisory committee, and how is it related to the special joint committee that is identified in the bottom of the second column? Thanks, Madam Chair.

**CHAIRPERSON (Ms. Green):** Thank you, Member for Frame Lake. Madam Premier.

**HON. CAROLINE COCHRANE:** Thank you, Madam Chair. Every single MLA in this building has certain strengths, and one of the strengths that I will say about the MLA is he catches things. That is actually wrong; that should say "joint committee." Thank you, Madam Chair.
